

5.3.2 STUDENT COUNCIL ACTIVITIES

Student council of SVS Institute of Dental Sciences is a true representation of the thought process of the individuals in the campus at their various stages of learning during their academic tenure. With due respects though the graduate curriculum of the students tailors on all the grounds like academics, research, sports, cultural events and maintenance of the hostel and the food served the college is never monotonous in its approach but also considers the interests of the student council for an harmonious environment.

Keeping in the interests of the students, student council is formed constituting students from all the years where in they choose the leaders among them based on their choice. The council representatives stand as a bridge in between the various committees headed by the faculty members. The executive committee of the student's council lodges a president, vice president, secretary, joint secretary, general captain. The tenure of these posts holds good for a year.

President, Vice president, Secretary, Joint secretary will be elected among the final, third, second and first years respectively. Intern of the academic calendar for that particular year will be the general captain. Both the academic committees and the student council go hand in hand. The whole electioneering process will take place under the scrutiny of the various committees allied headed by the staff members.

The interests of the students, problems relating to academics/non academics will be discussed among the executive members and then is carried to the allied committee for resolving the issue. Interests of the student council will evaluated on genuine grounds and a resolution or change will be made.
