TERMS AND CONDITIONS OF BMW AUTHORISATION

SCHEDULE - A

1. The authorised person shall comply with the rules of Bio-Medical Waste (Management & Handling) Rules, 2016 and the amendments made there under from time to time.
2. The authorised person should handle the waste without any adverse effects to human health and the Environment.
3. The Bio-Medical Waste shall not be mixed with other wastes.
4. The Bio-Medical Waste shall be segregated into containers / bags at the point of generation in accordance with Schedule - II of the Notification prior to its storage, transportation, treatment and disposal. The containers shall be labeled according to Schedule - III of the Notification.
5. If a container is transported from the premises where Bio-Medical Waste is generated to any waste treatment facility outside the premises, the container shall, apart from the label prescribed in Schedule - III of the Notification, also carry information prescribed in Schedule - IV of the Notification.
6. Notwithstanding anything contained in the Motor Vehicles Act, 1988, or Rules there-under, untreated Bio-Medical Waste shall be transported only in such vehicle as may be authorised for the purpose by the Competent Authority as specified by the Government.
7. The person authorised under these Rules shall not lease, sell, transfer or otherwise transport the Bio-Medical Wastes without obtaining prior permission of the Member Secretary, Telangana State Pollution Control Board.
8. An application for the renewal of authorisation shall be made as laid down in Rule 7 and Form I of the Rules.
9. Every occupier/operator shall submit an annual report to the Member Secretary, T.S Pollution Control Board in Form - II by 31st January every year, containing information about the categories and quantities of Bio-Medical Wastes handling during the preceding year.
10. Every HCE shall maintain a daily record of waste generation quantity either in volume or by weight in kg/day as follows:
 - a. Human anatomical waste etc. (Yellow Bag)
 - b. Infectious waste (Red Bag)
 - c. Sharps etc. (Puncture Proof Bags)
11. Every authorised person shall maintain records related to the generation, collection, reception, storage, transportation, treatment, disposal and / or any form of handling of Bio-Medical Waste in accordance with these Rules and any guidelines issued.
12. All records shall be subject to inspection and verification by the Member Secretary, T.S Pollution Control Board, or authorised officer of T.S.Pollution Control Board at any time.
13. When any accident occurs at any institution or facility or any other site where Bio-Medical Waste is handled or during transportation of such waste, the authorised person shall report the accident in Form - III to the Prescribed Authority forthwith.
14. The Applicant shall exhibit the Authorisation of the Board in the premises at a prominent place for the information of inspecting officer of different departments.
15. The applicants shall inform the Prescribed Authority, the name and designation of the concerned person in-charge of Bio-Medical Waste Management in the Health Care Establishment. This person shall be held responsible for the implementation of the Bio-Medical Waste management & Handling Rules, 1998.
